
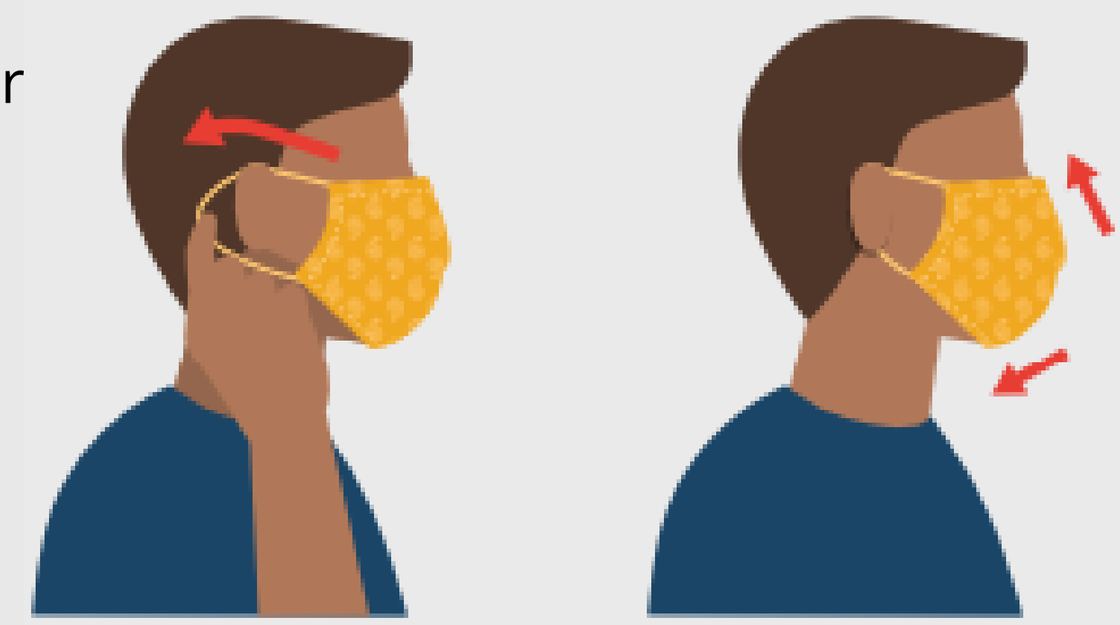
PREVENTATIVE MEASURES FOR STUDENTS

WEAR YOUR FACE COVERING CORRECTLY

- Wash your hands before putting on your cloth face covering
- Put it over your nose and mouth and secure it under your chin
- Try to fit it snugly against the sides of your face
- Make sure you can breathe easily



WHAT STUDENTS NEED TO KNOW

- Sanitize hands before entering school and classrooms
- Do not share food or personal items
- Keep a distance between others and follow your schools pre-cautions
- Cough or sneeze into your elbow
- Tell staff if feeling sick at school

KEEP A SAFE DISTNACE

Keep 2 metres between you and others when possible:

- During drop-off and pick-up
- During interactions with a teacher, school staff or other parents and students
- Pick up students promptly if they show symptoms at school

Get accurate information about COVID-19 from trustworthy sources, such as **Canada.ca/coronavirus**, your **local or provincial/territorial public health authority, or a nursing station in a First Nation community**
