Grand Council Treaty#3 Request for Search Volunteers

Bradley Kirkrude Jr. (Anishinaabe of Naongashiing) has been missing for 21 days as of today. His family and friends are exhausted from searching daily. Ogichidaa Francis Kavanaugh has spoken this afternoon with Chief Wesley Big George. Chief Big George has expressed the need for volunteers to come to Naongashiing to provide additional support in the search for Bradley.

We are asking the Treaty#3 communities and Treaty#3 regional organizations if they can support the search by providing volunteers to come to Naongashiing First Nation. If you can volunteer or identify individuals who can provide support to the community in the search efforts for Brad, the contact information is below.
