FREE SCIENCE TRIP TO WINNIPEG, MB  
~~MARCH 25, 26, 27, 2020!~~

**TRIP POSTPONED**

# SCIENCE CONTEST

Calling all Treaty #3 Science Enthusiasts!

Only 10 lucky winners will be chosen to win a Cash Prize and travel to Winnipeg, MB for 2 nights with a full day of science base activities at the Winnipeg Museum of Man and Nature and Planetarium! Complete with evening activities as well!

Students can win by creating a short video or photo-voice project on a local community issue impacted by Climate Change.

## ELIGIBILITY

All applicants must be:

- a Treaty #3 community member
- attending a Treaty #3 middle or high school
- between the ages of 12-21yrs

All videos must include:

1. Details of the impacts the issue has on the community and
2. At least ONE idea for a sustainable solution.

## HOW TO ENTER:

Create a short video or photo-voice project about 60-90 seconds long about how you would help your community in fighting the effects of one of the following challenges: Climate Change or Water Health.

Some possible subthemes:

- Climate Change: weather events & patterns, impacts on community infrastructures, ecosystem disruptions, or human health.
- Water Health: overfishing, pollution, habitat loss, or invasive species.

Please submit all projects to the following link:  
<http://gct3.ca/events/science-contest>

## CASH PRIZES
